UPMC LIFE CHANGING MEDICINE

Sponsored by

Division of Gastroenterology, Hepatology and Nutrition

University of Pittsburgh School of Medicine

Center for Continuing Education in the Health Sciences

With Partnership from

Collaborative Alliance for Pancreas Education and Research (CAPER)

National Pancreas Foundation (NPF)

Mission Statement

The Division of Gastroenterology, Hepatology and Nutrition unites physicians and scientists for excellence in patient care, education and research, providing the best of tomorrow's medicine, today.

Continuing Education Credit

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of **14.5** *AMA PRA Category 1 Credits.*™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded **1.4** continuing education units (CEU's) which are equal to **14.5** contact hours.

Objectives

At the conclusion of this program, participants should be able to:

- Partner with other academic clinical and research pancreas groups to discuss patient-centered care and to plan collaborative care organization.
- Identify advancements in chronic and acute pancreatitis care, especially related to early diagnosis and disease management.
- Address pediatric pancreatitis care, especially related to autoimmune pancreatitis management.
- Identify methods to enhance diagnosis and treatment of pancreatic cancer.
- Foster the development of multidisciplinary, fluid and interactive models to treat pancreas diseases.

Who Should Attend

PancreasFest 2017 is designed for gastroenterologists, surgeons, oncologists, radiologists, basic and clinical researchers and all physicians interested in pancreatic diseases. Physicians and scientists committed to translational research, cooperative studies and career development are strongly encouraged to attend. This course welcomes mid-level medical professionals, clinical and research nurses and related healthcare professionals interested in pancreas disease research and treatments.

Special Needs

Participation by all individuals is encouraged. Advance notification of any special needs will help us to provide better service. Please notify us of any special needs *at least two weeks* in advance of the program by phone **(412)-578-9518** or e-mail **joj2@pitt.edu**.

Locations

The PancreasFest 2017 opening forum and reception will be held on Wednesday evening July 26 at the host hotel, **Wyndham Pittsburgh University Center.** Additional information about this hotel may be found in the Accommodations section of this brochure.

Primary PancreasFest 2017 symposia will be held at **The Twentieth Century Club** located at 4201 Bigelow Boulevard, Pittsburgh, PA 15213. Visit **www.thetwentiethcenturyclub.com** or call **(412) 621-2353** for directions or additional information about The Twentieth Century Club.

Accommodations

The host hotel for PancreasFest 2017 is the **Wyndham Pittsburgh University Center**, located at 100 Lytton Avenue, Pittsburgh, PA 15213. This hotel is approximately one block from The Twentieth Century Club, which is the primary meeting location. The discounted room rate is $140/night, plus taxes and fees.

- To reserve your room online, visit **www.pancreasfest.org** for a direct link to online registration.
- By telephone, call **(412) 682-6200** or **800-UNIVCTR** and reference PancreasFest 2017.
- Room availability and pricing will not be guaranteed after **July 5, 2017.**

Parking

Conference parking is not provided. Nearby parking is available at the Soldiers & Sailors Garage (Bigelow Blvd.), the O'Hara Garage (O'Hara St.), or the Wyndham Pittsburgh University Center. To see these and other University of Pittsburgh parking options, visit **www.pts.pitt.edu/parking/maps.**

Transportation

Shuttle bus and taxi transportation may be arranged from the Pittsburgh International Airport (PIT). Public transportation using the 28X bus is a cost-effective transportation alternative at $3.75 each way. This bus leaves from the airport's lower level door #6 and will travel to the Oakland section of Pittsburgh (conference location). More information about the 28X may be found at **www.portauthority.org**.

The University of Pittsburgh is an affirmative action, equal opportunity institution.

Abstracts/Posters

Pancreas disease research abstract submissions are encouraged from ***all*** conference attendees. While novel research is preferred, abstracts submitted at previous meetings are welcome.

- Abstract length is limited to 500 words.
- No abstracts will be published without author agreement.
- A 4x8 poster space will be reserved for all accepted abstracts.
- Submit to Joy Jenko Merusi at **joj2@pitt.edu**.
- All abstracts are due by **July 7, 2017**. No abstract acceptance or poster space will be guaranteed after **July 7**.

Travel Scholarships

Trainees and junior faculty within three years of appointment may apply for **PancreasFest 2017 Travel Scholarships**. Scholarships in amounts of up to $730 each will be awarded by the Collaborative Alliance for Pancreatic Education and Research (CAPER). Scholarship awardees will receive fee-waived registration for PancreasFest 2017 and should ***not*** register for this conference separately. Scholarship applicants will be required to submit an abstract as part of the online application process. CAPER will send the winning abstracts to meeting organizers automatically, and awardees will have poster space provided. If an applicant is not selected for a 2016 scholarship but still plans to attend the meeting, non-scholarship abstracts may be submitted to **joj2@pitt.edu** *(see the Abstracts section of this brochure).*

The travel scholarship submission deadline is June 2, 2017. Awards will be announced by **June 16, 2017**. Awardees are required to confirm acceptance of the scholarship by **June 30, 2017**.

For more information or to apply online for a PancreasFest 2017 scholarship:

Please visit **www.caperpancreas.org**, click on "PancreasFest 2017" and scroll to the "PancreasFest Travel Scholarship" link.

Since these CAPER awards are intended to support travel costs, **local** scholarship awardees within a 25-mile radius of Pittsburgh will receive fee-waived registration awards only. If local awardees do not have Oakland parking privileges, conference parking costs will be reimbursed.

Facilitator: Aliye Uc, MD

Goal of Discussion:
- Planning meeting for pediatric pancreas researchers

2. Biomarkers of Pancreatic Disease: Diagnosis, Stage and Activity
Facilitator: Darwin Conwell, MD, MPH
Co-Facilitators: Dhiraj Yadav MD, MPH and Zobeida Cruz-Monserrate, PhD

Goals of Discussion:
- Review goals, standards and logistics of collecting and assessing clinical and research biomarkers for CPDPC (Consortium to Study **C**hronic **P**ancreatitis, **D**iabetes, and **P**ancreatic **C**ancer) and other studies
- Agree on Standard Operating Procedures for collection, interpretation and sharing of samples from well characterized patients with pancreatic disease.

3. Acute Pancreatitis Severity Measures and Future Interventions
Facilitator: Stephen Pandol, MD
Co-Facilitators: Georgios Papachristou, MD, PhD, Bechien Wu, MD, MPH and Joe G.N. "Skip" Garcia, MD

Goals of Discussion:
- Update on APPRENTICE and strategies on conducting studies
- Update on AP Clinical Scoring Systems.
- Discussion of choosing targets for VLS, therapeutic trials, patient selection and outcome measures.

4. Pancreatic Cancer: EUS, ERCP and Minimally Invasive Surgery
Facilitator: Herbert J. Zeh III, MD
Co-Facilitators: Randall Brand, MD, Anirban Maitra, MBBS

Goals of Discussion:
- Accelerate advancements in pancreatic GI procedures and surgery.
- Investigate academic center EUS collaborations to follow up on the NIDDK EUS workshop.
- Discuss applications of minimally invasive surgery.

5. Prospective Research in IPMN Management and Outcomes (PRIMO)
Facilitator: Michael Wallace, MD, MPH
Co-Facilitators: Dana Andersen, MD and Aatur Singhi, MD, PhD

Goals of Discussion:
- Develop proposal for multicenter IPMN registry to define risk factors of progression and need for surgery.
- Identify Key Aims and Inclusion/Exclusion factors.
- Identify primary outcomes of interest.
- Promote potential collaborations.
