UPMC LIFE CHANGING MEDICINE

Sponsored by

Division of Gastroenterology, Hepatology and Nutrition

University of Pittsburgh School of Medicine

Center for Continuing Education in the Health Sciences

With Partnership from

Collaborative Alliance for Pancreas Education and Research (CAPER)

National Pancreas Foundation (NPF)

Mission Statement

The Division of Gastroenterology, Hepatology and Nutrition unites physicians and scientists for excellence in patient care, education and research, providing the best of tomorrow's medicine, today.

Continuing Education Credit

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of **14.75** *AMA PRA Category 1 Credits.*™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded **1.4** continuing education units (CEU's) which are equal to **14.7** contact hours.

Objectives

At the conclusion of this program, participants should be able to:

- Define the genetic risks, markers, and treatment of pancreatic diseases, including pancreatic cancer as well as acute and chronic pancreatitis.
- Debate the mechanisms determining abnormal responses to injury and inflammation related to pancreatic pain, pediatric pancreatitis, and pancreatic cancer.
- Discuss application of new insights into disease mechanisms for new patient-centered care models, including the role of academic centers of excellence.
- Foster the development of multidisciplinary, fluid and interactive models to treat pancreas diseases and pancreatic pain.

Who Should Attend

PancreasFest 2016 is designed for gastroenterologists, surgeons, oncologists, radiologists, basic and clinical researchers and all physicians interested in pancreatic diseases. Physicians and scientists committed to translational research, cooperative studies and career development are strongly encouraged to attend. This course welcomes mid-level medical professionals, clinical and research nurses and related health care professionals interested in pancreas disease research and treatments.

Special Needs

Participation by all individuals is encouraged. Advance notification of any special needs will help us to provide better service. Please notify us of any special needs ***at least two weeks*** in advance of the program by calling **(412) 578-9518** or emailing **joj2@pitt.edu**.

Locations

The PancreasFest 2016 opening forum and reception will be held on Wednesday evening **July 27** at the host hotel, **Wyndham Pittsburgh University Center.** Additional information about this hotel may be found in the Accommodations section of this brochure.

Primary PancreasFest 2016 symposia will be held at **The University Club** located at 123 University Place, Pittsburgh, PA 15213. Visit **www.uc.pitt.edu** or call **(412) 648-8213** for directions or additional information about the University Club.

Accommodations

The host hotel for PancreasFest 2016 is the **Wyndham Pittsburgh University Center**, located at 100 Lytton Avenue, Pittsburgh, PA 15213. This hotel is approximately two blocks from The University Club, which is the primary meeting location. The discounted room rate is $140/night, plus taxes and fees.

- To reserve your room online, visit **www.wyndhampittsburghuniversitycenter.com**, click on "Reservations" and then "Special Rates & Codes." The PancreasFest 2016 group code is **07266841PF**.
- By telephone, call (412) 682-6200 or 800-UNIVCTR and reference the group code.
- Room availability and pricing will not be guaranteed after **July 6, 2016**.

Parking

Conference parking is not provided. Nearby parking is available at the Soldiers & Sailors Garage (Bigelow Blvd.), the O'Hara Garage (O'Hara St.), or the Wyndham Pittsburgh University Center. To see these and other University of Pittsburgh parking options, visit **www.pts.pitt.edu/parking/maps.**

Transportation

Shuttle bus and taxi transportation may be arranged from the Pittsburgh International Airport (PIT). Public transportation using the 28X bus is a cost-effective transportation alternative at $3.75 each way. This bus leaves from the airport's lower level door #6 and will travel to the Oakland section of Pittsburgh (conference location). More information about the 28X may be found at **www.portauthority.org**.

The University of Pittsburgh is an affirmative action, equal opportunity institution.

Abstracts/Posters

Pancreas disease research abstract submissions are encouraged from ***all*** conference attendees. While novel research is preferred, abstracts submitted at previous meetings are welcome.

- Abstract length is limited to 500 words.
- No abstracts will be published without author agreement.
- A 4x8 poster space will be reserved for all accepted abstracts.
- Submit to Joy Jenko Merusi at **joj2@pitt.edu**.
- All abstracts are due by **July 6, 2016**. No abstract acceptance or poster space will be guaranteed after **July 6**.

Travel Scholarships

Trainees and junior faculty within three years of appointment may apply for **PancreasFest 2016 Travel Scholarships**. Scholarships in amounts of up to $730 each will be awarded by the Collaborative Alliance for Pancreatic Education and Research (CAPER). Scholarship awardees will receive fee-waived registration for PancreasFest 2016 and should ***not*** register for this conference separately. Scholarship applicants will be required to submit an abstract as part of the online application process. CAPER will send the winning abstracts to meeting organizers automatically, and awardees will have poster space provided. If an applicant is not selected for a 2016 scholarship but still plans to attend the meeting, non-scholarship abstracts may be submitted to **joj2@pitt.edu** *(see the Abstracts section of this brochure).*

The travel scholarship submission deadline is June 6, 2016. Awards will be announced by **June 13, 2016**. Awardees are required to confirm acceptance of the scholarship by **June 27, 2016**.

For more information or to apply online for a PancreasFest 2016 scholarship:

Please visit **www.caperpancreas.org**, click on "PancreasFest 2016" and scroll to the "PancreasFest Travel Scholarship" link.

Since these CAPER awards are intended to support travel costs, **local** scholarship awardees within a 25-mile radius of Pittsburgh will receive fee-waived registration awards only. If local awardees do not have Oakland parking privileges, conference parking costs will be reimbursed.

SESSION 4: Genetics of Pancreatic Cancer
Moderators: Randall E. Brand, MD and William E. Fisher, MD

11:00 am **Novel Developments in the Genetics of Pancreatic Cancer**
Nicholas Roberts, DVM

11:20 am **Advances in Population Genetics and Hereditary Prediction Models for Pancreatic Cancer**
Gloria Peterson, PhD

11:40 am **Genetics of Cystic Neoplasms**
Aatur Singhi, MD, PhD

Noon **Panel Discussion**

12:15 pm **Lunch Buffet and Exhibits**

SESSION 5: The Ruth C. Brufsky Award for Excellence in Research in Pancreatic Cancer
Moderator: Randall E. Brand, MD

12:45 pm **Ruth C. Brufsky Award Lecture:**
Earlier Detection of Pancreatic Cancer
Teri Brentnall, MD

1:15 pm **Discussion**

1:25 pm **Break & Exhibits**

SESSION 6: Pancreas Working Group Meetings

1:30 pm

1. **Acute Pancreatitis Biomarkers & Measures and APPRENTICE (Acute Pancreatitis Patient Registry to Enhance Novel Therapies in Clinical Experience)**
   Facilitators: Georgios I. Papachristou, MD, PhD and Vikesh K. Singh, MD, MSc
2. **Chronic Pancreatitis: Biomarkers of Inflammation, Cell Function, Fibrosis & Pain**
   Facilitators: John A. Windsor, MD and Christopher Forsmark, MD
3. **Pancreatic Cancer, Pancreatic Cysts & IPMNs**
   Facilitators: Walter G. Park, MD, MS and Gregory B. Lesinski, PhD, MPH
4. **Diabetes, Surgery & TP-IAT**
   Facilitators: Suresh Chari, MD and Martin Freeman, MD

2:30 pm **Break & Exhibits**

Acute Pancreatitis & PCOE Track

SESSION 7A: Acute Pancreatitis Severity Index Meeting / Discussion
Moderators: Stephen Pandol, MD and Bechien U. Wu, MD, MPH

2:45 pm **APSI Discussion & Voting**

SESSION 8A: Pancreas Center of Excellence (PCOE) Meeting/Discussion
Moderators: Darwin Conwell, MD, MPH and David C. Whitcomb, MD, PhD

3:45 pm – 4:30 pm **PCOE Discussion**

Pancreas Pain Track

SESSION 7B: Taxonomy of Pain: Reports
Moderators: G. Nicholas Verne, MD and Ajay D. Wasan, MD, MSc, MA

2:45 pm **Dimension 1:** Core Diagnostic Criteria
2:50 pm **Dimension 2:** Common Features
2:55 pm **Dimension 3:** Common Medical Comorbidities
3:00 pm **Dimension 4:** Neurobiological, Psychological and Functional Consequences
3:15 pm **Dimension 5:** Putative Neurobiological and Psychosocial Mechanisms, Risk Factors and Protective Factors

SESSION 8B: Developing Consensus on Pancreatic Pain
Moderators: Asbjørn Mohr Drewes, MD, PhD, DMSc and John A. Windsor, MD

3:30 pm – 4:30 pm **Pancreatic Pain Discussion**

4:30 pm **Thursday Adjournment**

SESSION 9: Poster Rounds and Reception *(not accredited symposia)*

Registration Information

Early registrations are due by **July 6, 2016**. After **July 6**, later registrations will be accepted at an additional fee.

Online registration is the quickest and easiest way to reserve your space at *PancreasFest 2016*.

- Register online at **https://ccehs.upmc.com/liveFormalCourses.jsf.**
- Remember to click "submit" after entering the requested personal and payment information to finalize your registration.
- Print the electronic confirmation, which will be sent to the email address you provide at registration. If you do not receive this confirmation within five days of registration, contact (412) 578-9518 or (412) 578-9515. Your registration is not complete without this confirmation, and we ask you to bring a copy of your confirmation to *PancreasFest 2016*.

If you are unable to register online, contact Joy Jenko Merusi at **joj2@pitt.edu** or (412) 578-9518 for a paper registration form. Please note that all registration deadlines will apply.

Cancellations will be accepted in writing only through US mail, email or fax. Tuition postmarked or date stamped before **July 15, 2016** will be refunded completely. After **July 15, 2016**, a $35 administrative fee will be assessed. No refunds will be made after **July 22, 2016**.

Cancellation requests may be made to Joy Jenko Merusi at **joj2@pitt.edu** or fax (412) 578-9537. Ms. Merusi's mailing address may be found on page 3 of this brochure.

PancreasFest 2016 registration fees provide continuing education credit, registration and course materials and conference meals.
