Thurs. 7/21/22:

7:30  Registration, Visit Exhibitors

8:00  Welcome to PancreasFest 2022
      David C. Whitcomb, MD, PhD

8:05  Session I: Acute Pancreatitis
      Moderators: Andres Gelrud, MD, MMSc

      8:05  Acute Pancreatitis in Children
            Maisam Abu-El-Haija, MS, MS

      8:25  Multi-organ Failure and Mechanisms of Acute Pancreatitis
            David C. Whitcomb, MD, PhD

      8:45  Predictive Tools and Biomarkers for Severe Acute Pancreatitis
            Georgios I. Papachristou, MD, PhD

      9:05  What Research is Needed for the Future?
            James Buxbaum, MD

      9:25  Discussion (15)

9:40  Break, Visit Exhibitors, Posters

10:00 Session II: Chronic Pancreatitis and Exocrine Pancreatic Insufficiency
      Moderators: Stephen Pandol, MD and Sarah Jane Schwarzenberg, MD

      10:00  Mechanisms of Chronic Pancreatitis
              Miklos Sahin-Toth, MD, PhD

      10:20  Biomarkers in Chronic Pancreatitis
              Darwin Conwell, MD, MS

      10:40  Imaging Modalities in EPI
              Andrew Trout, MD

      11:00  EPI Treatment: The Known and Unknown (peds/adults/tube feeding)
              Christopher Forsmark, MD

      11:20  Autoimmune Pancreatitis
Yasmin G. Hernandez-Barco, MD

11:40 **Clinical Trials in Pancreatitis: Summary of the 2022 NIDDK Workshop**
Phil Hart, MD

11:55 Discussion (10)

12:10  Break, Visit Exhibitors, Pick Up Lunch, Posters

12:20 **Session III: Meet the Professors Lunch**

*Full Professors who are attending the meeting and meet requirements* will be provided with a sign containing their name and institution to set up at the table of their choice. Attendees, and especially trainees, are encouraged to join the professor(s) of their choice for lunch. There is no specific agenda other than to promote the goals of PancreasFest with networking, exchange of ideas and planning for future studies and collaborations. (*Professors* who would like to participate should contact Joy Merusi for further details. This includes meeting CME Guidelines for speakers, which must be approved in advance).

12:50 **Session IV: Poster Session with Presenter** (*not accredited*)

Posters should be up by 9:00 AM and removed Friday afternoon. Presenters must be at their poster between 12:50 PM and 1:25 PM for discussion with other attendees. Ad hoc meetings throughout the day are encouraged.

1:30 **Session V: CAPER**

Moderators: Maisam Abu-El-Haija, MD, MS and Samuel Han, MD, MS

1:30 **CAPER Annual Meeting, Introductions, and Travel Awards**
Maisam Abu-El-Haija, MD, MS

1:40 **CAPER Senior Mentor Award**: Darwin Conwell, MD, MS
Introduction: Samuel Han, MD, MS

2:10 **Young Investigator Lectures: The Future of Pancreatology**
Moderators: Maisam Abu-El-Haija, MD, MS and Samuel Han, MD, MS

1:45  **Analgesia Prescribing Patterns During Pediatric Hospitalization for Acute Pancreatitis**
Irina Gorbounova, MD

2:00 **Leptin Expression and Chachexia in Pancreatic Ductal Adenocarcinoma**
Andrea Riner, MD, MPH

2:15 **A Prospective Cohort Study evaluating PAN-PROMISE to Detect and Risk-Stratify Post-ERCP Pancreatitis Symptoms**
Nikhil Thiruvengadam, MD

2:30 Discussion with Mentor and Scholarship Awardees (15)
2:40  **Session VI: Plenary Lecture on the Future of Medicine**  
Moderator: David C Whitcomb MD PhD

2:40  **Digital Therapeutics and Chronic Disease Management: A Case Study in Diabetes**  
Anand Lyer PhD

3:10  Discussion with Dr. Lyer

3:15  *Break, Visit Exhibitors, Posters [Directions to breakout sessions]*

3:45  **Breakout Sessions.** Choose 1. (not accredited)

*PancreasFest 2022* is supporting 8 to 12 breakout sessions on a **First Come / First Served** basis. The categories are divided between Academic Working Groups, Industry-sponsored research and Advocacy Groups. Per the breakout leaders the sessions are either **Open** (anyone can sign up and come) or **Closed** (by invitation only / confidential). The sessions can either be at the conference site, or off campus. Details, requirements and costs will be available through Joy Merusi and posted at Pancreasfest.org.

5:00  End of Day 1

**Thursday Evening: BIG PARTY (!!)**
Fri. 7/22/22:

7:00 to 8:45 am = Concurrent INSPIRE/PEDS Meeting

6:45  Registration and Continental Breakfast for Pediatric Group

7:00  Session VII-A: Pediatric Pancreas Disease

7:00  Welcome to PancreasFest 2022 Day Two
Maisam Abu-El-Haija, MD, MS and Aliye Uc, MD

7:05  INSPIRE Breakfast Meeting
Aliye Uc, MD

7:45  Pediatric Pancreatitis Case Studies
Moderators: Mark E. Lowe, MD, PhD and Veronique Morinville, MD

7:45  Pediatric Case Study #1
Robert Gugig, MD

8:00  Pediatric Case Study #2
Asim Maqbool, MD and J. Naylor Brownell, MD

8:15  Discussion

(8:45 = Rejoin PF22 plenary sessions or continue to meet separately through 9:50 am)

7:30  Registration, Continental Breakfast, and Visit Exhibitors

8:00  Welcome to PancreasFest 2022 – Day Two
Randall E. Brand, MD

8:05  Session VII-B: Pancreatic Cancer
Moderator: TBA

8:05  Is Regional Therapy/Metastectomy Still Contraindicated with Reasonable Disease Control with Systemic Therapy?
Chris Wolfgang, MD

8:25  Overcoming Barriers in Caring for a Pancreatic Cancer Patient in a Diverse Population
Sonia S. Kupfer, MD

8:45  Tumour Genomic and Transcriptomic Insights in the Management of Exocrine Pancreatic Cancer
George Zogopoulos, MD
9:05  Update on Promising Treatments for Pancreatic Cancer
      Flavio Rocha, MD

9:35  Discussion (15)

9:50  Break & Visit Exhibitors (15)

10:05 Session VIII: Burning Issues in Pancreatic Pain
      Moderators: Vikesh Singh, MD, MS & Jami Saloman, PhD

      10:05  Introduction of Pancreatic Pain
             Anna Evans Phillips, MD, MSc

      10:10  Quantitative Sensory Testing
             Anna Evans Phillips, MD, MSc

      10:20  Patient-reported Outcomes
             Tonya M. Palermo, PhD

      10:30  Risk Predictions: Pancreatic Pain
             Melena Bellin, MD

      10:40  Timing and Patient Selection for Operative Drainage
             TBA

      10:50  Discussion

11:10 Session IX: Brufsky Award
      Moderator: Randall E. Brand, MD

      11:10  Award Presentation to Dr. Simeone

      11:15  Developing Clinical Trials for Patients with Pancreatic Cancer
             Diane M. Simeone, MD

      11:45  Discussion (15)

12:00 Break, Visit Exhibitors, and Lunch (Posters dismantled by 1:00 pm)

12:45 Session X: Pancreatic Cysts: Pathogenic or Benign?
      Moderator: TBA

      12:45  Pathologic Landscape and Classifications
             Aatur Singhi, MD, PhD
1:05  Next Generation Imaging
Eugene Koay, MD, PhD

1:25  The Role of Endoscopic Ultrasound in Diagnosis and Management of Pancreatic Cysts: Is There a Future?”
Walter Park, MD, MS

1:45  Discussion (15)

2:00  Session XI: Management of Pancreatic Necrosis and Walled-Off Pancreas Necrosis
Moderators: Steven Hughes, MD and TBA

2:00  (Early) Diagnosis and Management of Pancreatic Necrosis:
Lessons Learned by the Dutch Pancreatitis Study Group and Future Prospects
Prof. dr. M.J. (Marco) Bruno, MD, PhD

2:30  Effect of Anatomy: Should Anatomic Considerations Drive the Approach?
Nicholas J. Zyromski, MD

2:55  Trials & Tribulations in Fluid Collection: A Call for Studies to Answer TBN Questions
TBA

3:15  Discussion

3:30  Session XII: NAPS2: Concepts and Accomplishments
David C. Whitcomb, MD, PhD

4:00  Adjourn PF22

~4:30 to 7 pm  Professor’s Reception: At the Home of Professor David Whitcomb MD PhD
